Middle School Board Report

1. Our Professional Development on November 12th focused on assessing in Project Based Learning, Midmester and Classroom implementation. Our Course offering book should be done around Thanksgiving giving students ability to sign up for classes early December.
2. Career Week was held Nov 5-9. This year was a bit different as we were only able to do one set of tours in the community due to not having school on Wednesday for the State Volleyball Tournament. Thanks to all that helped make this happen for our 8th grade students.
