

2019 April Elementary Board Report

1. PLC with all teachers each week - checking up on contact with kids and questions
2. Parents reaching out that need help troubleshooting with technology questions.
3. SeeSaw report on activity- fun to see each day all the activity taking place and be able to make comments.
4. Building inventory of office supplies will be complete and starting to gather orders for next fall.
5. Working on orders/check out items before the end of the year
6. Setting up ESY (Extended School Service) summer school for kids (if we can) and what students.
7. Revisions for PBIS handbooks, matrix, etc.
