

Elementary Board Report

June 2024

We had a great end of the school year! Students were able to enjoy our in-school carnival. A big thank you to all the teachers who helped set up and tear down and to all of our parent and community member volunteers who helped run the various stations.

We have just under 50 students participating in summer school right now. They attend Monday-Friday 8-11 throughout the month of June. With the daycare in the building this summer our summer school students have the opportunity to eat both breakfast and lunch at the building.

Out of 6 districts Mrs. Reicks classrooms won the Penny Wars competition through the foster grandparent program. The Foster Grandparent Program congratulated them with a pizza party!

PENNY WARS

There was A LOT of excitement with the announcement of the Penny Wars fundraiser and as you can see below we have A LOT of happy students from Mrs. Reicks 3rd grade classroom at New Hampton Elementary. They were able to have their Pizza Party at the beginning of May with Grandma Claudia. Thank you again for everyone who participated in this fun annual fundraiser and we look forward to next year!

I am excited to let you know that we earned \$2,053.78 through this Penny Wars fundraiser in March and look forward to next year! Thank you to everyone who supported this fundraiser.

The custodians have been hard at work at the elementary! We have almost all of our lower elementary classroom moved to their new locations. We are thankful for their hard work and promptness on moving these rooms!
