New Hampton CSD
710 West Main Street
New Hampton, Iowa 50659

**RE: Letter Recommending Acceptance
New Hampton CSD, New Hampton, IA
Project No. 21-1107**

Dear Mr. Rosonke and Board of Directors,

Construction work on this project was started in June 2022 and completed by October 29, 2022. Work was done in substantial compliance with the terms of the Contract, Plans, Specifications, and Contract Change Order 3 for the project. With these change orders, the project's total construction cost was revised from \$323,152.51 to \$323,217.23. The opinion of probable cost at the time of the letting was \$320,283.

After direct observations and review of the project, I note the work of constructing the project has been completed by the Contractor and is recommended for acceptance by the New Hampton CSD. Once the project is accepted, final payment can be made to Heartland Asphalt, Inc. after waiting a minimum of thirty days. The Contractor has a two-year maintenance bond on this project with the period starting with the City's acceptance of the project.

As Engineer for the project, I hereby certify we have reviewed the completed work and the above information is correct to the best of my knowledge and recommend the New Hampton CSD formally accept the project.

Respectfully,

Jon Biederman, PE, LSI
Senior Project Manager
