Re: Cooperative Sponsorship of Swimming Agreement

Please find the co-op sharing agreement for swimming that needs to be signed by your Superintendent & Board of Education Chairperson. Since the 2008-2009 school year we have asked that each school as part of the co-op agreement pay Decorah High School \$400 per swimmer that they send to Decorah to offset the costs of running the programs. We have put a cap of \$1500 on what each school would pay for their swimmers to participate for both boys and girls combined.

All schools are reminded to complete the digital agreement forms sent via Bound and the IHSAA and IGHS AU prior to the April 30th deadline. Also please sign and return the document below to for approval of the fees below by Friday, April 25, 2025.
