### **Monday, April 23: All 4<sup>th</sup> Grade Students**

Your homeroom teachers will give you a form to look at to register for classes for 5<sup>th</sup> grade. All of the classes for fifth grade are required courses except band and Keynotes. Band will begin in the fall of 2012. Ms. Staron will do some testing in the fall to see which instrument(s) she would recommend for you based on these tests, your interest, physical features, personality, etc.

Keynotes is offered to students who want more experience singing and doing some choreography work in a combined fifth and sixth grade group. If you are interested in band and/or Keynotes, please check the box under your section for next year. If you are not interested, please leave these two boxes blank. Please have your parent/guardian sign the registration form and return this to your homeroom teacher by Monday, April 30.

Two other hand-outs will be given to you, a "Family Information Update" form and "Information for Fifth Grade" form (stapled). The "Family Information Update" form needs to also be returned to your homeroom teacher by Monday, April 30.
