

Summer Reading Incentive Party In The Park!

It's hard to believe that summer is just around the corner. Your student has worked so hard this year in many areas, but especially in becoming a better reader. We want students to retain all those great reading skills over the summer. So once again we will be offering a summer reading incentive for our students.

Students and parents will be asked to mark off at least 44 days of reading on a summer calendar (15 minutes per day for K, 1st and 2nd graders, 20 minutes a day for 3rd graders). Students who complete this goal will be invited to an afternoon Party In The Park (Mikkelson) once school is back in session in the fall.

The reading initiative will begin the 17th of May and end August 16th. Forms turned in after August 20th will not be accepted. Calendars will be sent home in the middle of May.

Please return to your classroom teacher
