

## April 2020 Activities Report

- A Normal Board Report for April would include: Prom, Senior Banquet, Track and Field, Golf, Soccer, Trapshooting, Student Senate Blood Drive, State Solo and Ensemble Festival, and State FFA Updates to include a few.
- Unfortunately, Spring Sports have been canceled Friday April 17<sup>th</sup> due to Covid-19.
- Summer Sports Seasons – We are expected to receive information from the IHSAA/IGHSGAU by June 1<sup>st</sup> on what these schedules, seasons will look like.
- NEIC AD's are meeting regularly to talk about what a shortened summer schedules could look like.
- I want to commend our coaches for reaching out to their student-athletes during this unprecedented time, I am saddened for all our kids that will miss out this Spring but most of all for our seniors that will not get to compete one last time.

### Wrestling Room

- We are receiving bids for mats and wall padding, H2I is expected to come early next week to look at the room and get measurements. They will also look to see what can be repurposed out of the existing room.
- I have been excited to see the change in the room, it is one big open area right now.
