COUNSELING AGREEMENT BETWEEN

**New Hampton Community School District
And
Counseling & Family Centered Services, Inc.**

The intent of this document is to let it be known between parties that we have an agreement in which our agency, known as Counseling & Family Centered Services (CFCS), located in New Hampton, Iowa, will provide therapeutic counseling services for the New Hampton Community School District (NHCS).

Both parties agree that services will be provided by CFCS at NHCS 3 days per week + 1 day every other week for the entire 2025-2026 school year starting the week of September 2, 2025, with the potential of adding more days as needed or requested.

Professional services with our Licensed Mental Health Counselor (LMHC) are at the rate of \$150 per hour, and non licensed staff at the rate of \$90 per hour.

The school is responsible for having a student referral, the Consent for Treatment form signed by the parent/legal guardian before service can begin with a student, and having the Release of Information form signed by the parent/legal guardian for any information to be shared between agencies.

Billing will be done on a monthly basis and the bills will be submitted to NHCS the week before a board meeting for board approval.

CFCS and NHCS will have open communication and consultation as needed for the benefit of the students and the services being provided. Terms of this agreement may be amended and modified at any time by mutual agreement of the parties. However, any amendment or modifications must be followed up in writing and executed by both CFCS and NHCS.
