

Elementary School Board Report December 19, 2022

Mrs. Koster put on a fun and energetic elementary concert! She collaborated with Mrs. Dunagan to have the students make instruments during art class that were then integrated into their performance. We've received many positive comments from parents about how enjoyable the concert was.

4th grade students have been working hard on their PBL unit. They will create an invention that helps solve a challenge that they have.

3rd Graders are doing their gift of giving with Project Linus. They will be making blankets as a grade level for children who have been traumatized or sick this Holiday Season. The blankets will be given to children in Chickasaw County. Thank you to the family members for their donations of money, time, and support.

Mrs. Eichenberger's class gave back to the community this holiday season. They walked to Fareway where each student was able to buy a canned good to donate to the food drive. She also invited her class to ring the Salvation Army bell with her.

We will have our 2nd quarter TRIBE parties this week to celebrate the positive behaviors at the elementary. Preschool & TK/Kindergarten - CWC, 1st Grade & 2nd Grade - Movie Party, 3rd Grade & 4th Grade - Skating

Mr. Monteith had the students participate in a "stompetition" with the Unruly Splats. Mr. Monteith had the splats set up in the entryway of the students and staff to stomp on as they arrived at school.

- If Unruly Schools collectively stomp 2 million stomps we will donate \$3,000 to [The Next Step Foundation](#) to combat food insecurities. New England Patriots Player, Jonathan Jones, will match our donation if we hit our goal! If your school hits the 20,000 stomp mark you will receive a special prize and your school name in lights on the Unruly website!

A big shout out and thanks to Barb Havlik for helping us fill the special education position we had open at the start of the year. I look forward to having her back for the second semester as a sub.
