

Elementary School Board Report December 20, 2021

1. 4th Graders began their project based learning unit. Throughout this unit they will read nonfiction texts about various inventors and then create their own invention based on a personal interest or need that they have.
2. Kindergarten through fourth grade elementary students had their Winter music concert! I've heard positive feedback from both parents and teachers on a job well done.
3. 3rd Graders did their gift of giving with Project Linus. They were able to make 15 blankets for children who have been traumatized or sick this Holiday Season. The blankets will be given to children in Chickasaw County. Thank you to the family members for their donations of money, time, and support.
4. We had our 2nd quarter TRIBE parties to celebrate the positive behaviors at the elementary. This is part of our PBIS program.
 - o Preschool - CWC
