

Elementary School Board Report May 22, 2023

We have gotten our ISASP scores back.

3rd Grade ELA: 1.5% Advanced, 59.1% Proficient, 39.4% Not Yet Proficient

3rd Grade Math: 7.6 % Advanced, 65.2% Proficient, 27.3% Not Yet Proficient

4th Grade ELA: 5.4% Advanced, 62.5% Proficient, 32.2% Not Yet Proficient

4th Grade Math: 19.6% Advanced, 57.1% Proficient, 23.2% Not Yet Proficient

Grade levels across the elementary have been able to enjoy a lot of fun field trips! We have enjoyed trips to Twin Ponds, The Grout Museum, Phelps Youth Pavillion, Rockford Fossil Park, and the North Iowa Landfill.

Kindergarten has been enjoying a countdown to the last day of school called backwards bootcamp. They work through the alphabet backwards and have a fun themed activity each day based on the letter.

We had a wonderful program for our 4 year old preschool graduation. The students did a wonderful job performing their songs and were able to receive their preschool diplomas. Families were then able to enjoy juice and cookies in the cafeteria. Our 3 year old preschool students will be enjoying an ice cream social to celebrate the end of their first year in school.

We are planning an in school carnival as an end of the year celebration. Our raffle fundraiser is such a success, but we know the students love the school carnival. We'll celebrate the last day of school with our carnival games, cotton candy, and our TRIBE cart prizes.

Katie Fisher, Morgan Kuennen, and I were able to attend Ukeru training in Des Moines. We are excited to bring this training back to our special education department and paraprofessionals.
