

Elementary Board Report

May 2025

We celebrated our preschool students earlier this month. Our 4 year old class had their preschool graduation on May 6 and our 3 year old class had a spring celebration on May 13. Both groups of kids did a wonderful job singing their favorite songs and were able to enjoy juice and cookies in the cafeteria with their families afterwards.

This month has been filled with field trips for all grades! The kindergarteners went to Twin Ponds, all inclusive park, and Heartland Acres in Independence. The 1st graders went to Hansen's Dairy in Hudson and Twin Ponds. The 2nd graders went to the Rockford Fossil Park. The 3rd graders went to the Dairy Story in Calmer, Twin Ponds, and the Carnegie Cultural Center. Fourth Grade had a two-day School of the Wild at Twin Ponds and Airport Lake and also had a trip to the Osborne Nature Center. Students will also make a trip to Mikkleson Park for an end of the year celebration. Thanks to all of our wonderful donations from our elementary raffle fundraiser.

The carnival committee has been working hard on planning for our in school carnival. This is always a fun day. If you're interested in volunteering come on down.

Staff are having some fun and hiding Minions around the school for students to find. The kids love searching for the Minions each day and are convinced they have magic and move at night.

We finished our Spring FAST screener and our ELPA scores will come on Monday. We have our personalized reading plans finalized and ready to be filed. Stefanie Thronson, the reading interventions, and grade level teams work hard on providing interventions throughout the year and collaborating throughout the year at data team meetings.

It's hard to believe we're at the end of the school year! Teachers and students worked so hard this year. I'm so thankful for all of the extra time and hard work teachers put in to serve our students.
