Re: Hallway in Elementary Building

The following items are quoted:

1. Move five fire alarms into the new ceiling
2. Move three emergency lights into or below the new ceiling
3. Remount two cameras below ceiling
4. Remount clock below ceiling
5. Remove two old wall speakers and replace with four new ceiling mounted speakers (per recommendations of D.B. Acoustics)
6. Add nine drop in type fluorescent fixtures

Total for above listed items \$ 2,013.00 (two thousand and thirteen dollars and zero cents)

OPTION to make 9 drop in lights L.E.D. ADD \$ 713.00 (seven hundred thirteen dollars and zero cents)

Any questions feel free to call
