Re: Costs to finish rooms:
209, 210, 215, HS Main Office, 206, 108, 109, 112, 116, 117, 120, 121, Training rm, Men's Locker room, Weight rm Master, Weight rm Slave, Women's Locker room, Women's Athletic Locker room, and remaining Boiler room and Chiller controls.

QUOTATION

Automated Temperature Controls

John,

You asked me to put together the cost would be to finish the remaining temperature controls for the rooms and equipment at the High School listed above. I am pricing this with and without a service contract for the schools.

Option #1 Proposed Cost without purchasing an annual service contract:

\$38,200.00 (thirty eight thousand two hundred dollars)

Option #2 Proposed Cost after an annual service contract is purchased:

**\$33,800.00 (Proposed cost of repairs above in Option #1) after
a service contract is
Purchased.**

\$ 6,000.00 (Annual Service contract cost)

\$39,800.00 (thirty nine thousand eight hundred dollars)

Items included in proposal options offered above)

- Furnish and install (21) MachPro Zones by Reliable Controls.
- Furnish and install the necessary relays and cts for starting/stopping and status
- Furnish and install (19) Reliable Controls SSL(s).
- Furnish and install the necessary control wiring needed.
- 5yr. warranty on all Reliable Controls controllers.
- 1yr. warranty on all other materials installed.
- We will program and commission the new controls.
- Graphics will be updated and put on the server .

Reliable[®]
controls

*...people and technology
you can rely on™*

- **If Option #2 is selected:**
 - *it will include (2) site visits the high school and the elementary school that will be billed semi-annually.*
 - *See attached attached Temperature Constrols Service Contract. It lists all of the additional services you will receive.*

Items not included:

- *The above proposals are quoted to re-use the existing economizer dampers. If they are not functioning and need replaced, the owner will be notified which rooms need replaced and the cost for FM Controls Inc to furnish and install new actuators to replace them.*
- *Mechanical System Troubleshooting or Repairs*
- *Anything that is not specifically listed as being included.*

The above quoted price is valid for 30 days.

The above quoted price does not include any applicable taxes. Add for taxes if needed.

Terms of payment are Net 10th of following month.
