SKILLS USA			Club

Please note that the fundraising by the groups listed above is being done to help defray the cost of purchasing equipment, supplies, uniforms, trips, events, etc. While it is understood that the school and booster clubs expend money for each group on a yearly basis, the groups want to also alleviate some of the financial burden by being directly involved in their own fundraising efforts. You will be made aware of any other groups who may want to fundraise once their request is received.
