☕️ Sippin' Success with iJAG! 🎉 The NHHS student body had an amazing time at the iJAG Sippin' Success Hot Chocolate Booth on November 15, with over 100 students coming together to enjoy some delicious hot cocoa and cookies! 🍪☕️ A huge thank you to The Pub and Belinda Douglas for donating the hot chocolate and baked goods– you made it extra special! 🙌 Another huge thank you to the janitors and food service workers in the cafeteria for all your hard work and help!! This event was all about warming up for the next semester and building excitement for what's to come in the Iowa Jobs for America's Graduates program. We love seeing our students so engaged and ready to make this upcoming term a success! 💪🌟

7.

Yesterday the high school Photo class visited the Des Moines Botanical Garden, and Reiman Gardens Butterfly House to get real life experience of taking photos in a new and beautiful environment! One of the challenges was to take photos of butterflies as they moved around in the Butterfly House. This is a challenge because the butterflies didn't sit still for long! Karla Pickar, Yarethzy Garcia Camarillo, Capri Lester, Madison Roethler, Sophie Rivera and Harper Paulsen
