1. Congratulations to the Large Group Speech! All six events earned at least one district 1 rating from a judge. 2. We hosted District FFA competition on February 12th. Thanks to Mr. Russ and the FFA Alumni for helping to make this a success for our kids as well as for the other schools that came in to participate.
3. We have now begun the post season for all winter sports. Our kids have worked very hard and done a great job of following our expectations to help seasons continue with as few interruptions as possible.
4. We are now beginning the big push to the end of the year with all of our students. We are focusing on making sure all of our spring events can happen with safety precautions in place. Prom, graduation, and awards may look a bit different again this year, but we are going to do everything we can to give our kids the experiences they deserve!
5. Our staff have begun COVID shots this past week and will finish the first round this week.
6. Huge thanks to all of the staff and Mr. Frerichs for all of the hard work put in this winter season. All of the new things with ticketing, and safety measures helped our students have the opportunity to excel on the court and mat. Many long hours were spent here to make sure things run smooth.
7. We began training our staff today for the administration of the ISASP tests this spring. All 9-11 students will be taking this test. It will be our second year of taking the test and we look forward to seeing how our students are progressing in their academics.
