

## High School Board Report January 17, 2022

1. Students and staff did a great job of ending the Fall semester. Finals went well and students and staff enjoyed the hot chocolate bar and snacks. Thanks to Mr. Russ and the FFA for all of the snacks. In addition, thanks to Mrs. Nelson and the Student Senate for helping to bring snacks and man the station for everyone.
2. Second semester classes will begin January 18th. We have a lot going on this semester and look forward to prom, field trips, and all of the activities!
3. We have students participating in the NEIC Honor bands on January 17th. Mr. Adam and Mrs. Cantu have been working hard with these students to have this opportunity. We have also started a Jazz Choir this winter.
4. Saddle's dance was help on January 15th. The students did a great job of organizing this event and had a lot of fun!
5. J-term was a lot of fun for students and staff. It was great to see our students out into the community and further developing their passions. Our presentation night was January 14th from 4-6 PM. Below are a few pictures of students participating in classes from Facebook:

**All Around the World with Cooking & Cultures**

We went on a field trip today to Bily Clocks in Spillville. We learned about the Czech & German culture thanks to our two guest speakers.

J-term class, Ya'all Take Care Now, started class off right with two entry events. Thank you The Charles Theater for opening your doors during the day for us to see [#AmericanUnderdog](#) and the SNAP Fitness for sharing the importance of exercise to our mental health (and the smoothie)! We had a great time!
