

High School Board Report June 16, 2025

1. Congratulations to the Girls' Golf Team for placing second as a team. Lauren Nuss placed 4th and Kirsten Nuss placed 5th. Congratulations to the students and the coaches!
2. Our buildings were open for self-guided tours during Heartland Days on Saturday, June 14th.
3. The FFA held the kid tractor pull at Heartland Days as well as the band marching during the parade.
4. We had a good end of the year with staff and students. Staff and students are looking forward to a summer break and then having a great return in the fall!
5. Freshman Orientation is August 20th from 6pm-7pm in the HS/MS Cafeteria. Students will be meeting with upperclassmen mentors. Parents will also have the opportunity to learn about high school and how to prepare students for the next steps after high school.
6. We had a great first year of iJag with Ms. Jirak. Students have been involved in a lot of career exploration and job shadows. We look forward to the second year of opportunities for our students.
7. A huge thank you to the custodians for getting CNA materials for our students from another school that was disposing of their program. We are in the process of assessing the missing components to have our very own CNA space for students so we can do everything here on campus and not have to travel to other communities. Initial projections of supplies needed were over \$40,000. It will be much less for us to implement this program once we have determined a location that will meet our needs. It also can provide opportunities for our students to take other health pathway classes.
8. As the year closes, I would like to thank Mrs. McGrath, Mrs. Ward, Mr. Frerichs for all of their dedication to our school system. They will be missed and wish them the best for their future!
