

High School Board Report May 15, 2023

1. Prom was a great success! We had 190 students participate. Thanks to all of the students and staff that helped to work the event and decorate!
2. Our students have begun postseason play. We hosted district golf for both the boys' and girls' teams. Our teams also played in conference play.
3. Graduation is May 21st at 2:30 pm. Our seniors are finishing up finals this week and we will be doing commencement practice later in the week.
4. Our seniors will be having their senior banquet on May 16th with the scholarship night to follow. Our senior students have completed 1112.5 college credits and saved \$205,812.50. Thanks to Mrs. Maas and Ms. Holly O'Brien for helping our students get signed up for dual enrollment classes as well as the board for allowing this to happen!
5. Our Coffee House performance was on April 30th. At that event, we recognized seniors and their accomplishments in our Fine Arts programs.
6. Our student senate elections have happened for next year. Our students will be working with the community to start planning Homecoming for next year. Our goal will be to incorporate more business partnerships in the Homecoming experience.
7. Our students are wrapping up the semester and getting ready for semester tests shortly. It has been a great year and we look forward to planning and being ready for the fall with students!
8. Summer sports are now underway as there is an overlap in seasons due to the dead week at the end of July for all students. Come out and see our baseball and softball teams!
9. Our students did a great job with the Spring play and the Variety Show since the last board meeting. Thanks to Mrs. Konence and Mrs. Cantu for all of the hard work in getting our students ready in a busy spring!
