### **C: Iowa Core**

**Supports continued progress in the development of rigorous content standards and benchmarks consistent with the Iowa Core focused on improving student achievement, including the following state actions:**

- Provide and fund technical assistance to help school districts fully implement the Iowa Core.**
- Adopt high-quality summative and formative assessments, aligned to the skills students should know and be able to do to succeed globally and locally.**
- Include and fund all the components of successful standards systems: assessments aligned to high expectations, improved and aligned instruction and quality professional development.**
- Research based professional development that provides educators with training, support and time to work together so that they can successfully teach a rigorous curriculum to all students.**

## K: Education Reform

**Supports reform of Iowa's K-12 education system that:**

- Is research-based;**
- Is focused on student achievement;**
- Includes assessments to measure the full range and rigor of the Iowa Core;**
- Maintains oversight and control by locally elected boards of directors;**
- Does not "repurpose" existing education funds; and**
- Does not impose new mandates unless they are fully funded.**

## O: Mental Health Funding

**Supports increased statewide access to and funding for mental health services for children. Students are struggling in school and there are not adequate resources, financial and human, for necessary services. It is often unclear whose role it is to provide the services and to provide funds for programming. Neither the education nor children's mental health delivery systems have the resources to meet current needs. The legislature also needs to clarify roles and secure full funding.**
