#### **B: Funding Public K-12 Education**

**Supports sufficient state revenues to adequately fund public education as Iowa's number one priority. IASB opposes erosion of the existing tax base. ### **C: TIF Reform**

**Supports Tax Increment Financing (TIF) transparency, limitation, reform, and regulation. Reforms should limit the duration of all TIF districts, and mandate inclusion of the affected taxing bodies including school districts in discussions prior to the imposition of a TIF. TIFs are to be used for the sole purpose of stimulating development that would otherwise not occur. Expenditures from TIF revenues should not be used to pay for property tax rebates or other direct subsidies to private developers. In addition, IASB opposes residential TIFs that are not directly tied to job creation unless the impacted school districts approve.**
