

June 2020 Activities Report

- Unfortunately there will be no update on State Trapshooting, Girls/Boys/COED State Golf meets this year as they were cancelled.
- Last year Trapshooting placed 4th overall in E – League, Boys golf had a State Medalist, and Girls Golf had won a Team Title with a 2A record of 662 strokes.
- We are fortunate to have Summer Sports underway however; The boys baseball program has 51 participants out and the girls softball program 9-12 have 37 participants this year. These are great numbers considering all the extra factors this year has brought.
- Wrestling Room Update: Larson painting has started cleaning prep work and should be starting soon with a flat black paint for the ceiling. The wrestling mats and wall pads have been ordered and the 2 sections of bleachers are on site and being stored until the raised floor is installed.
