

Name: NEW HAMPTON ELEMENTARY SCHOOL

Street of service: 206 W MAIN

City/State: NEW HAMPTON, IOWA

Phone: 641-394-5858

We will provide the following.

Clean/blow all vegetation from cracks and fill cracks that are 3/16" or larger with hot rubber. Smaller than 3/16" the sealer will fill.

Blow and scrub where needed for good adhesion so sealer will bond to asphalt.

Edge out with sealer around perimeter so sealer is on the asphalt areas only.

Apply 2 coats to the rest of the asphalt with Brewer Cote sealer.

Block off all entrances to parking lot. Typical dry time 24 hours.

PAINT MARKINGS Yes / ~~No~~

Clean and crack fill: 2,475 FT @ \$ 1.25 /FT = \$ 3,093.75

Clean and seal coat asphalt: 52,446 SQFT @ \$ 0.22 SQFT = \$ 11,538.12

The total price \$14,631.87 are good for 2024 season and if this is satisfactory, sign below.
