Middle School Board Report

1. We welcomed back students on January 3rd. Students have all adjusted to their second semester schedules. January and February can seem like long months so we will continue to seek student input about how to make NHMS a better place. Students all seemed to enjoy time in the snow last week.
2. The Middle School Chickasaw Leadership Team is looking to continue fun and engaging activities for students this second semester. These kids under the guidance of Mrs. Miller, Mrs. Sinnwell, Mr. Rude, Mrs. Laures, and Mrs. Sanford is doing an excellent job. I look forward to what they feel the middle school should do next. Kindness Week is coming in February. (Pictures of a door decorating contest, hot cocoa, and a movie below)
3. MS boys basketball is underway and they have competed against Charles City and Waukon. MS Girls wrestling have had meets at Decorah and WSR and have done a nice job. We have a solid number of kids and managers out this 2nd half of the winter season and every day they look to improve. (GWR - 20 participants) and 7th Boys BB - 14 (2MGR) and 8th Boys BB - 16 (2MGR)
4. We began our winter screening of FAST. All of our students are taking the aReading, aMath, and mySaebars screeners again. These screeners in conjunction with PLC meetings have been working really well to make sure we get support where needed for students.
5. Staff had some time to work on Midmester courses, as we get ready for those starting after ISASP on April 15 - April 26. Showcase night will be Friday the 26th.
6. Quarter 2 activities were enjoyed on the 21st of December. Students enjoyed a movie at Charles City Theatre, Roller Skating, Bowling, and the W at Wartburg College.
