## Middle School Board Report

1. Special thanks to all of the staff who have worked hard all year to give our students an outstanding education. Without your dedication and hard work, our school would not be what it is today! Our staff is able to adapt and overcome!
2. Many positive messages were sent to staff by parents and students during Teacher Appreciation Week. Great to have that community support!
3. Seen staff do well with getting students engaged in Zoom sessions. We have been able to invite famous people to meet with our kids like Joey Lagono, Tom Rinaldi, and Maddie Poppe.
4. Staff have reached out to students and parents many times just to check on them to see how they were doing.
5. All of our students received a positive postcard home from a staff member again this year! It was a challenge to complete with closure, but we did it!
