Middle School Board Report

1. Special thanks to all of the staff who have worked hard all year to give our students an outstanding education. Without that dedication and hard work, our school would not be what it is today! Thanks for keeping the standard of excellence high.
2. Many positive messages were sent to staff by parents and students during Teacher Appreciation Week. Great to have that community support! Those are the best gifts.
3. Our MS band and Choir performed their annual Spring Concert on May 8th. Thanks to all of the hard work of Mrs. Adam and Mrs. Cantu. It was a great concert, with lots of great performances.
4. The 4th graders will travel to the middle school for an orientation on Friday the 19th, this will allow the students to see their classrooms for next year, get more acquainted with the lower level of the middle school, and hear from the 5th grade team.
5. Our 8th grade took a trip on May 10th to the State Capital, something they missed in 2020, and we paired that opportunity with an Iowa Cubs game with the donation for the PickleBall club and the fundraising efforts of the dance put on by the CLT members. Lots of smiles and a great experience for all.

6. Lastly, Our students had a blast with Midmester, students were excited to showcase their projects and talk about what they learned in their classes. A lot of great pictures are still circulating on the Schools Facebook page.
