## Middle School Board Report

1. Special thanks to all of the staff who have worked hard all year to give our students an outstanding education. Without that dedication and hard work, our school would not be what it is! Thanks for keeping the standard of excellence high.
2. Many positive messages were sent to staff by parents and students during Teacher Appreciation Week. Great to have that community support! Those are the best gifts.
3. Our MS band and Choir performed their annual Spring Concert on May 6th. Thanks to all of the hard work of Mrs. Adam and Mrs. Cantu. It was a great concert, with lots of great performances.
4. The 4th graders traveled to the middle school for an orientation last week, this allowed students to see their classrooms for next year, get more acquainted with the lower level of the middle school, and hear from the 5th grade team.
5. Rocket Day was a huge hit, many great launches for the 8th graders that built rockets and learned about the science that goes with launching them.

6. Lastly, Our students had a blast with Endmester, students were excited to showcase their projects and talk about what they learned in their classes. A lot of great pictures are still circulating on the Schools Facebook page. Over \$1200 raised for a family in need in our concession for a cause.
