Middle School Board Report

1. Our Midmester Academy was a success for our students and staff. Thank you for all of your support of this experience for our kids. We welcomed in many parents and community members to see this in action. Many schools also came and saw the great things that our school is doing for students. Our students were highly engaged and we look forward to continuing this next year.
2. Student Survey Results: (0= low 5= high)

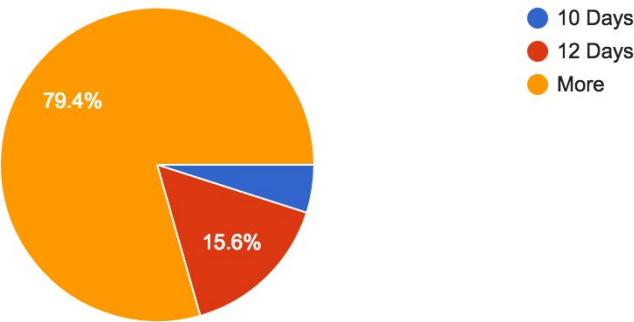

How much fun was Midmester? (243 responses)

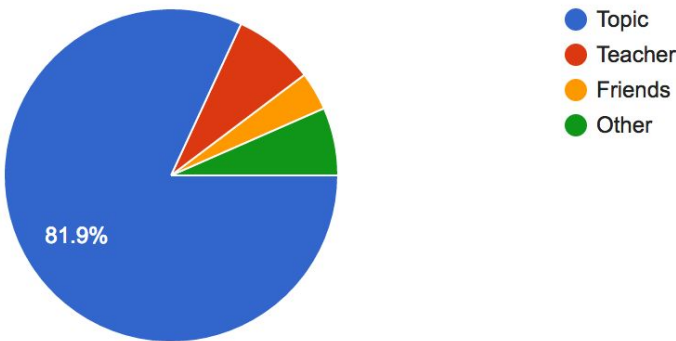

How much did you learn? (243 responses)

How many days would you like to do Midmester next year? (243 responses)

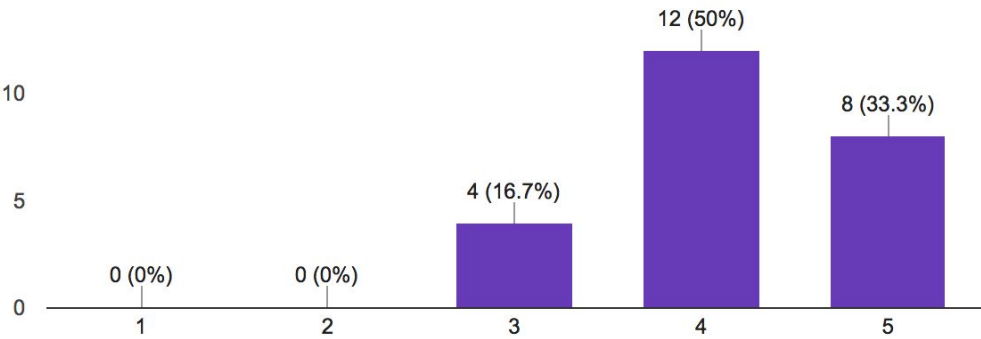

How did you choose classes? (243 responses)

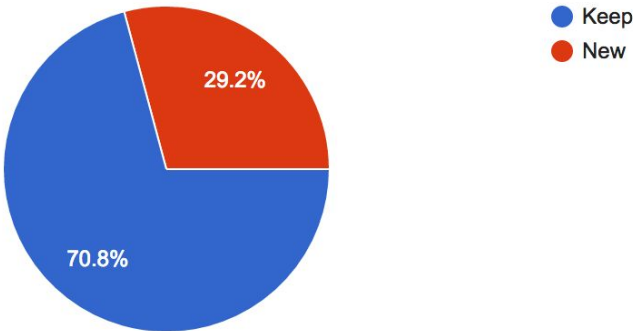

3. Teacher Responses to Midmester: (0= low 5= high)

Rate your overall impression of Midmester? (24 responses)

Do you plan on keeping the same class next year or teach another class?

(24 responses)

4. Our staff is currently hosting parent teacher conferences and we look forward to parents seeing our Midmester work on display in the TLC room. We have a bunch of student artwork now in the hallways that was created from Ms. Kennelly's Midmester class.
 5. Our first MS LEAD group will meet on January 23. Some high school students were able to come and help introduce the LEAD program that is happening at the high school. Our students are excited and we will be taking a small group of students to a conference leadership workshop in Waverly on February 21st.
 6. We are in the process of working with the elementary and high school math teachers on the alignment of our math curriculum and the exploration of new resources for math. There are many options that our teachers will be evaluating along the way.
