Middle School Board Report

- 1. All of our Free Little Libraries have been installed around the community. The last one was just installed outside of the Elementary/Middle School Complex.**
- 2. Our students participated in the end of quarter activities last month. Thanks to everyone that was involved in making these fun rewards happen for our students.**
- 3. Students were recognized for their activities the past school year during an awards assembly the last day of school. Students then were able to do fun activities to conclude the day.**
- 4. During Professional Development, June 1, teachers worked on identifying skills needs of individual students based on Iowa Assessment data. Students were then assigned to interventions for the beginning of next school year. Teachers are developing progress monitoring tools to be used to track intervention progress.**
- 5. 8th graders participated in Rocket Day May 22 after being rained out the previous week. Students were able to apply Newton's laws in a real world application.**
- 6. MS Bands performed at Alta Vista on Memorial Day and tried to play for Heartland Days before being rained out.**
- 7. Many students are participating in a summer school band program being put on by the music department. Thanks to Mrs. Adam, Mr. Adam, and Mrs. Reetz for helping put this together for our students.**
