Middle School Board Report

1. Middle School staff met for the first time with the Architect on 3/8/17 in Charles City. We toured the facility and began conversations of what we would like to see in our new Middle School.
2. End of Quarter Activities happened on 3/10. We had students participate in movies, rollerskating, bowling and the CWC. We had 21 students engage in reteaching and goal setting this quarter when they didn't qualify for the activities. These students will be checking in with staff members to provide the support for these students to be more successful during the 4th quarter.
3. Middle School Musical was 3/16 and 3/17. Thanks to all of the hard work put in by our students as well as Mrs. Cantu and Mrs. Remmen.
4. Our students began Iowa Assessments today and we look forward to seeing the improvement of our students from last year. Each student has participated in goal setting for each test and our focus is on individual student growth. We also have set goals of improvement for our building hoping to earn an extra incentive at the end of the year.
5. We participated in a Zoom PD with Okoboji on March 15th. During this PD we reflected on our experience and their Midmester that just finished. We look forward to our future collaboration and growth of PBL between our districts.
6. Parent/Teacher Conference Results:
