

I move to hold a closed session per Iowa Code 21.5 (1.) A governmental body may hold a closed session only by affirmative public vote of either two-thirds of the members of the body or all of the members present at the meeting. A governmental body may hold a closed session only to the extent a closed session is necessary for the following reason: (j) To discuss the purchase or sale of particular real estate only where premature disclosure could be reasonably expected to increase the price the governmental body would have to pay for that property or reduce the price the governmental body would receive for that property. The minutes and the audio recording of a session closed under this paragraph shall be available for public examination when the transaction discussed is completed.
