NEW HAMPTON MUNICIPAL UTILITIES BID FOR SERVICES

To: NEW HAMPTON COMMUNITY SCHOOL DISTRICT
710 W. Main Street
New Hampton, IA 50659
Email: Jeremiah Cantu, Director of Technology

By: New Hampton Municipal Utilities (NHMU)

REQUEST FOR PROPOSAL NO.:
210011866

SERVICE & COMMITMENT:

NHMU will provide fiber internet services to the New Hampton Community School District, 710 W Main Street, New Hampton, IA. The parties can have the option of a one, three or five-year contract.

RATES:

NHMU will provide the New Hampton Community School District with the option of the following services:

Biz100 - \$75.00 per month (E-Rate Eligible)

The BIZ100 offered by NHMU is a symmetrical 100 MBPS fiber connection.

Biz250 - \$110.00 per month (E-Rate Eligible)

The BIZ250 offered by NHMU is a symmetrical 250 MBPS fiber connection.

BizGig - \$200.00 per month (E-Rate Eligible)

The BIZGIG offered by NHMU is a symmetrical 1,000 MBPS fiber connection.

Static IP Address - \$10.00 per month per address (E-Rate Eligible)

New Hampton Community School District will inform NHMU how many addresses they will request.

The bid will be for one line to the New Hampton Community High School, 710 W Main Street, New Hampton, IA. The school's privately owned fiber will distribute to the other buildings.

SURCHARGES/TAXES/FEES:

The New Hampton Community School District is a fully tax- exempt public entity. There will be no additional fees assigned to the school.

DATA LIMITS:

NHMU's internet plans will include UNLIMITED data. The school will have plenty of bandwidth for surfing and video streaming needs and will never have to worry about overages.

FIREWALL:

NHMU is not providing firewall, content filtering or UTM.

INVOICE:

The invoice will be mailed monthly directly to the New Hampton Community School District for payment. The school will be responsible to request reimbursed funds from the FCC.

SERVICE:

NHMU is a local business which can provide multiple technicians on site within a short amount of time. New Hampton Community School District's IT Director will be given direct contact information for Customer Service and tech supervisor. NHMU will provide internet services and Static IP addresses, as necessary.

FIBER:

Waiting on internet connection is expensive. Being without service disrupts workflow and the quality of your customer's experience. With redundant fiber optic lines coming into New Hampton and redundant backup power for equipment, NHMU is the fastest, most reliable service available.

INSTALLATION:

NHMU will begin installation in June 2021 for testing and will begin billing for services July 1, 2021.

COMPLIANCE:

NHMU is in full compliance with FCC Order 19-121. NHMU does not use any equipment from Hauwei, ZTE, or any other covered company deemed a national security threat.
