New Hampton High School

Open Campus Requirements for Junior and Senior students with College Classes::

OPEN CAMPUS: Juniors and Seniors with Studyhall's Periods 1 and 8.

Must meet the following requirements:

- Must be enrolled in 6 classes.

- Students are representing our school both in and out of school and must act accordingly.

- Open campus allows the student who meets these requirements to leave school only during their regularly scheduled study halls Periods 1. However, please note that when a student earns open campus privileges, then they must leave the building during those times unless permission is granted by a specific instructor.

- Please note that having open campus privileges does not mean that a student may come and go at will—if they have earned, applied, and been granted the privilege, then unless an instructor agrees to be responsible for a student when they wish to stay, that student must leave the building.

- When students are not on campus during this time, they are expected to be <u>working on college courses</u>.

- If a student is falling behind or struggling to pass a college course, Open Campus privileges will be revoked and students will work on classes at the high school in study hall.

- If a student abuses this agreement by engaging in activities that are not school appropriate within the community open campus will be revoked.

- Being <u>tardy</u> to the first scheduled high school class in the session <u>three times</u> will result in the loss of open campus for the semester. Students cannot apply until the next semester.

- Once open campus is issued for students one semester,<u> it will continue to the next semester</u> unless parents request it be removed.

- Students must have no more than 1 major during the semester.

- Students must have the Approval of parent or guardian – parents/guardians will assume the responsibility of their child during their open campus time. Students will remain in study hall and on campus until this form is completed and signed.

Student Name: _____   Grade: _____

Parent Signature: _____   Date: _____
