Superintendent Jurrens reported that he had received a late open enrollment request from a high school student from the Howard Winneshiek district. When a student open enrolls in and there are no issues, I am allowed to routinely approve it. If there is an issue, only the board can deny an open enrollment request. This request was filed after the March 1st deadline. The only reasons we can approve a late request is because of a change in residence (a student moves from our district to their district and wants to

still attend our school), district reorganization or whole grade sharing agreements, or pervasive harassment or severe health. This doesn't meet any of these requirements. To be in compliance with Iowa law I recommend we deny this. Director Denner moved to deny the open enrollment request. Director Matthews seconded the motion. Superintendent Jurrens provided information on a request from Prairie Lakes Church to use to middle school auditorium, cafeteria, and some classrooms for Sunday School and Sunday Services. Jurrens has a concern is assigning a custodian to work every Sunday may create a hardship on our custodians. The Church would pay all expenses, but having to work every Sunday would be tough when you're already working all week. They have asked about being assigned a key and they would take care of everything themselves. Some other things to consider would be snow removal in the winter and cleaning that happens in the summer. Following the discussion, the consensus of the board was to table the discussion until more input comes from Prairie Lakes Church.
