

# Screen Rental Agreement

A \$200 labor fee will be charged to any entity regardless of sponsorship. The \$200 will be split between all the workers that are involved in the IBN Drive-In Theater initiative and are working that night. The equipment cannot be operated by anyone not in the Drive-In Theater group so in order to have the screen rental there must be at least two Drive-In Theater students willing to work the occasion. The equipment will only be available for rental on nights that were not previously scheduled for movie nights. The equipment that comes with the rental is as follows.

1. Screen
2. Projector
3. Sound System
4. Blu-Ray Player

The entity renting the equipment will be responsible for their own movie rights and insurance for that night. The entity/renters wanting to use the equipment will need to have a location, time, and date setup with either Mike Kuennen or the project lead one week before the event

An additional fee paid to IBN Drive In Theater will be based on the customers/renters sponsorship level. If the entity renting the screen wants to meet with the Drive-In Theater students about price reductions a meeting will need to be scheduled. All non-profit businesses will automatically get \$100 dollars deducted from the rental fee that goes into IBN account. All payment will need to be made prior to the event

- Sponsors that gave \$0-\$99: \$400+\$200 labor fee
- Sponsors that gave \$100-\$499: \$300+\$200 labor fee
- Sponsors that gave \$500-\$999: \$200+\$200 labor fee
- Sponsors that gave \$1000-1499: \$100+\$200 labor fee
- Sponsors that gave \$1500+: \$0 + \$200 labor fee

IBN Drive-In Theater participants will be allowed to rent the screen 1 time per year for a \$25 fee provided they have enough Drive-In Theater students to volunteer for the occasion (Mr. Kuennen's discretion)
