Service Delivery (if additional columns are needed please use the Additional Partners Template):

Pre-Employment Transition Services (Pre-ETS)	Provided by LEA	Provided by IVRS	Provided by: AEA
<p>Job Exploration Counseling</p> <p><i>* Job Exploration Counseling can include a wide variety of activities which assist individuals with career-related issues. Discussion or counseling on job/career options is intended to foster motivation, consideration of opportunities and informed decision-making. Specific to youth, real-world activities ensure that students recognize the relevance of a high school and post-school education to their futures, both in college and/or in the workplace. Job exploration counseling activities can be done in conjunction with private,</i></p>	<p>LEA will provide assessments to help identify interests and preferences for students on 504's and IEP's. ck or tap here to enter text.</p>	<p>Counselor will help potentially eligible 504/IEP students and existing IVRS clients by offering labor market information consistent with student interests and preferences identified in their IEP's.</p>	<p>AEA partners may assess and evaluate student vocational interests throughout the course of the student's high school career utilizing a variety of assessments and evaluation tools.</p>

<p><i>for-profit, public or nonprofit businesses in your community and/or through web-based resources.</i></p>	<p>LEA may connect students to unpaid work experiences.</p>	<p>IVRS Counselor will collaborate with AEA and LEA to connect students with area employers for information interviews and job shadows. Counselor will monitor status of work experience- with a focus on existing VR clients.</p>	<p>AEA will coordinate unpaid high school work experience for students with an employability goal and evaluate strengths and limitations of the student at the assigned work experience site.</p>
<p>Work-Based Learning Experiences</p> <p><i>*Work Based Learning (WBL) is an educational approach or instructional methodology that uses the workplace or real work to provide students with the knowledge and skills that will help them connect school experiences to real-life work activities and future career opportunities. It is essential that direct employer or community involvement be a component of the WBL to ensure in-depth student engagement. These opportunities are meant to engage, motivate and augment the learning process. These WBL opportunities can be done in conjunction with private, for-profit, public or nonprofit businesses in your community and/or through web-based resources. In addition, work-based learning requires in-depth engagement of youth and an evaluation of acquired work relevant skills.</i></p>	<p>LEA will assist students by helping to educate them on academic competencies required to enter into a vocational training program, 2 year, or 4 year college when additional training or education is appropriate. LEA will assist with college visits for students.</p>	<p>IVRS Counselor may partner with IA Works and Community College Staff to introduce students to a variety of options for post-secondary careers in addition to 2 year and 4 year training; such as an introduction to GAP training, Job Corps, Apprenticeships, UI REACH, Project Search, and the SAVE program. IVRS counselor can offer to have speakers present to students with permission from LEA.</p>	<p>AEA will collaborate with high school team to identify suitability of student transition to post-secondary learning opportunities.</p>
<p>Counseling on Opportunities</p> <p><i>*Counseling opportunities for enrollment in comprehensive transition or post-secondary educational programs at institutions of higher education. It is essential that students and their family members be provided information and guidance on a variety of post-secondary education and training opportunities.</i></p>	<p>LEA will assist students by helping to educate them on academic competencies required to enter into a vocational training program, 2 year, or 4 year college when additional training or education is appropriate. LEA will assist with college visits for students.</p>	<p>IVRS Counselor may partner with IA Works and Community College Staff to introduce students to a variety of options for post-secondary careers in addition to 2 year and 4 year training; such as an introduction to GAP training, Job Corps, Apprenticeships, UI REACH, Project Search, and the SAVE program. IVRS counselor can offer to have speakers present to students with permission from LEA.</p>	<p>AEA will collaborate with high school team to identify suitability of student transition to post-secondary learning opportunities.</p>

<p>Workplace Readiness Training</p> <p><i>*Workplace readiness traits describe a number of commonly expected skills that employers seek from most employees. Work readiness skills are a set of skills and behaviors that are necessary for any job. Work readiness skills are sometimes called soft skills, employability skills, or job readiness skills.</i></p>	<p>LEA will facilitate opportunities for students to learn about financial literacy, social skills, when possible.</p>	<p>IVRS Counselor will utilize tools for financial planning and will educate on soft skills through mock interviews.</p>	<p>AEA will work with students in partnership with other team members to ensure students have the basic skills necessary to progress into an unpaid work experience.</p>
<p>Self-Advocacy Instruction</p> <p><i>*Self-advocacy refers to an individual's ability to effectively communicate, convey, negotiate or assert his/her own interests and/or desires. Self-determination means that individuals with disabilities have the freedom to plan their own lives, pursue the things that are important to them and to experience the same life opportunities as other people in their communities. It means taking the responsibility for communicating one's needs and desires in a straightforward manner to others. The development of self-advocacy skills should be started at an early age. These skills will be needed in education, workplace and community settings.</i></p>	<p>LEA will provide students with opportunities to advocate for and identify their needs and interests during IEP meetings and regular classroom instruction.</p>	<p>Counselor will attend IEP meetings whenever possible, Counselor will discuss self-advocacy in college and work place.</p>	<p>AEA will collaborate with HS team in encouraging students to make their needs known in the classroom and at work experience site.</p>
<p>Instructional Training</p>	<p>When a student requires additional support staff to learn job skills, learn about the world of work, and explore occupations to make an informed decision about a future work goal, it is the responsibility of the district to provide the staff required for this support.</p>	<p>None</p>	<p>None</p>

Job Coaching	Provide and/or pay for job coaching, when needed as part of the instructional component of the IEP.	IVRS will provide job coaching when it is needed for the student's long term career goal as outlined in the IPE.	None
--------------	---	--	------

Identified gaps in service delivery (including training needs identified by the team):

As requested by the high school, VR Counselor will provide services along with PTC Denne Brodbeck on Wednesdays beginning October 18th. Services will be provided 2x per month and may be provided in .5 days as needed. VR Counselor will make an effort to attend IEP's in person when possible, will assist with obtaining consent forms and being available to answer parent questions about services. Counselor will work to collaborate with IA Works staff as needed or requested by the school. Counselor will make an effort to communicate services without the usage of confusing acronyms.
