**** Not doing a fundraiser during the 2020-2021 School Year.

^^^^ Fundraiser is still being decided. The board will be made aware of the fundraiser when information is available.

Please note that the fundraising by the above listed groups is being done to help defray the cost of purchasing equipment, supplies, uniforms, trips, events, etc. While it is understood that the school and booster clubs expend money for each group on a yearly basis, the groups want to also

help alleviate some of the financial burden by being directly involved in their own fundraising efforts. You will be made aware of any other group who may want to fundraise once their request has been received.
