1. The FFA Banquet was a great event for the students. Thanks to Mr. and Mrs. Russ for helping to plan their final banquet with the help of Ms. Bauler. Also a big thanks to the FFA Alumni for all of the support of FFA in our school.
2. The FFA will be traveling to the State Convention on April 17th and 18th. We have several students receiving their Iowa Degrees!
3. Our students have completed the ISASP testing and we are patiently awaiting our results. Students did a great job of being focused while taking the tests! We also have completed our Conditions For Learning Survey with students.
4. Mrs. Schmitt was invited to Rotary to give a presentation about our Baking and Food Production class that is making take home meals and pizzas. This is a great PBL activity in her class that is being supported by our community.
5. Graduation is getting closer and we have sent out information to all of the senior parents before break. Our Dollars for Scholars committee will be meeting shortly to award students with scholarships. That means that we will soon be having our Awards Night and graduation.
