

The earliest legal day to start school is August 24th. This is a Monday and there are some concerns about having a full week of school the first week. In addition, the calendar has a built-in 2 hour early out each of the first three days to allow times for the students to adjust to the new school year. Please choose the option that best matches your feelings as it relates to this date.

This calendar has a paid work day over Christmas Break. This allows us to start school on January 4th and lets us get done a day earlier at the end of the year. This day will be on your own time and the only requirement is that staff have to be ready to go on January 4th. Please select the statement that best matches your feelings on this.
