HS Principal Report to the Board

Submitted by Sarah Updegraff

1. Students in grades 9 and 10 completed MAP testing in October. Please see attached data.
2. Three students were named All State Musicians at Hampton. Shawnessy Lau and Spencer Bodensteiner will participate in the choir and Thea Thronson will be in the band.
3. We had 46.7% of our students' parents in attendance at parent teacher conferences. We did send out letters to encourage parents to sign up online.
4. The National Honor Society induction is tomorrow night at the middle school. We encourage you to attend to watch students receive this honor.
5. Today was our Veteran's Day assembly. The entire high school student body attended the ceremony at the courthouse this morning where the band and vocal department performed.
6. Attached is the list of student for approval for early graduation in December. Please remember they do not receive their diplomas until May with the rest of the class.
7. There are two groups here tonight to ask for approval for fundraisers for the grant project during English 10. The goal of the fundraisers is to contribute to local and national charity organizations.
8. We are currently showing the movie *Bully* to all 9th, 10th and 11th graders with follow up discussion. Mrs. Kipp has been leading these groups during classes and has had a great response from parents and students regarding the programming.
9. We continue to prepare for our 1:1 initiative by using Wednesday early out time in PLC groups. Groups have started attending each other's sessions when they see an item they want to learn more about. This is the intent of the PD cycle and teachers are pleased to have this time to work on technology.
