RE: Personnel Recommendations
DATE: August 7, 2012

I make the following recommendations as it relates to a personnel opening within the district:

- Nick Hemann, Middle School Head 8th Grade Football Coach
Nick will assume the position that was vacated by Terry Sittig, who transferred to become the 9th grade assistant football coach.

This is a transfer from the Assistant 8th Football position he was under contract for.

- Jason Rude, Middle School Assistant 8th Grade Football Coach
Jason will assume the position vacated by the transfer of Nick Hemann.

This is a transfer from the Assistant 7th Football position he was under contract for.

- Brad Schmitt, Middle School Assistant 7th Grade Football Coach
I will assume the position vacated by the transfer of Jason Rude.
