Your price \$5295

SW900 : 33" Sweeper vacuum with maintenance free gel batteries:

Your price \$5795

*Tennant V-DMU-14 Dual Motor Vacuum

Your price \$499

**The 18" wide upright vacuum do not perform well as the vacuum suction is distributed out much wider that they do not pick up near as well. The 14" offers the best performance and reliability.*

Free delivery to your door.

V-DMU-14 | DUAL MOTOR UPRIGHT VACUUM

Delivering reliable performance and increased power at a lower total cost of ownership.

Reduce maintenance costs and downtime

The V-DMU-14 eliminates four key issues that cause vacuums to fail, thus increasing productivity and lowering service costs versus current commercial vacuums. Backed by a lifetime belt warranty, rest assured that this vacuum will be ready for action.

Reliable durability

Major components have been proven in commercial applications for over 10 years. This vacuum delivers high value at operating costs up to 58% less than many other commercial vacuums.*

Healthy, proven performance

Standard with HEPA 3-stage filtration, the vacuum's cleaning performance is also certified Silver by the Carpet and Rug Institute's (CRI) Seal of Approval program.

Maximizing versatility over single motor uprights, the powerful V-DMU-14 can clean multiple surfaces at the flip of a switch.

*Based on acquisition cost and assumed consumables (60 bags, 1 brush roll and 8 HEPA filters per year).

Key Product Features

- LEED qualifying with CRI SOA Silver performance and noise levels less than 70 dBA.
- Increase detailing productivity and cleaning coverage with on-board crevice and upholstery tools and up to 30% longer wand reach than the competition.
- Reduce maintenance costs and downtime with two cord strain reliefs for added cord protection.
